Summary of reasons for decision:

'Deleted Image from Exhibit 70002' is an image that depicts a young girl sitting on a moon chair with her legs splayed apart. She is clothed in a T-shirt and underwear. There is nothing inherently sexual in the girl's appearance or the overall composition of the image. Therefore image file does not deal with matters of sex, nor does it deal with any other matters under ss3(1), 3A or 3B of the Films, Videos, and Publications Classification Act 1993. As such, it must be classified as unrestricted. This classification is consistent with the right to freedom of expression as set out in the New Zealand Bill of Rights Act 1990.
